Education Hours for April

April 7 and April 14 Curt Rohland Jerusalem Parts 1 and 2

JERUSALEM: Just another city or something special?

We are going to race through over 5,000 years of history of the city of Jerusalem in two hours during the education hour on April 7 and 14. During these 5,000 years Jerusalem has been attacked at least 52 times, captured and recaptured 44 times, besieged 23 times and destroyed to the ground 2 times and rebuilt. It is the most fought over city in world history, and it is still being fought over today. On April 7 we'll look at the first 4400 years, from 3200 B.C. to 1187 A.D., and on April 14 from 1187 to the present. If we can't manage all those years in two hours maybe we'll schedule another time to do so.

April 21 Staff Recognition and Thank You

Please join us in Thanking Staff and Our Saviour's Helpers during the Education Hour. There will be "Words of Thanks" and Special Treats!

April 28 Angela Maloney will join us for the Ed Hour to talk about Agnes' Table.

Angela has been the Executive Director since Fall of 2022. I was a stay at home mom for 12 years and decided to use my time and talents to make a difference in our community. My previous business experience along with raising 7 children on one income has come in handy as our team works to meet the needs of our guests.

The Church Council meets once a month on the 3rd Thursday of the month at 5pm.

Members of the Council are:

Donna Meade— President

Stacy Olson— Trustees

Heidi Mercer— Past President

Morrie Elkin— Building and Grounds

Curt Rohland— President Elect

Mary Blake— Deacons

Pastor Karen

MALAWI UPDATE

Synod Deacon Laura Ramlow has brought us up to date on news from our companions, the Evangelical Lutheran Church in Malawi (ELCM).

Bishop Bvumbwe has let us know that they will be postponing the visit they had planned to coincide with our annual synod assembly this year. The ELCM has created three dioceses to handle the significant growth in membership and congregations and the Blantyre Diocese Bishop election will take place in May, weather permitting, which is too close to our June assembly. They would like this newly elected bishop to be one of the visitors and this would not be possible so soon after the election.

Our synod has been formally invited to attend the installation of the new Bishop and the consecration of the new Blantyre Diocese in November, so the planned visit from our Northwest Synod of Wisconsin in August has been cancelled in order that several of our synod can attend.

We will be fundraising to support our synod's Bishop's Fund to raise money for two borehole wells in Malawi.

There has been some serious flooding in the Nkhotakota area of the country, just north of the city of Lilongwe. Bishop Bvumbwe is worried that they will be seeing more of this and are concerned about the compounded effect this could have to the south in regions still recovering from last year's storms. Global climate change is continuing to have drastic consequences in countries, like Malawi, close to the equator.

LaMae and Curt Rohland

Pastor Karen

Thank you for your many expressions of sympathy and support after the death of my father on March 15. His memorial service was on March 22 in Albert Lea, MN. Burial will take place this fall, sometime after our son's return from working for a year in Antarctica.

I am thankful for such a competent staff and team of congregational leaders that made it easy for me to redirect much of my energy to my mother and the rest of our family.

On a happier note, on March 28 we celebrated the official adoption of a grandson. He is a joyful and energetic 3rd grader whose parents are now our daughter and her wife who live in Rochester, MN.

Care and Concern

Please contact the church office if you know of someone who could use a little “sunshine”. A card will be sent from the Our Saviour’s church family. Also if someone is going through a serious illness or difficult time, a prayer shawl might bring them some comfort. Please let the church office know of anyone who needs to be wrapped in the warmth of a shawl and God’s love.

Thank You!!

We greatly appreciated everyone participating in the Campfire Sunday and the accompanying 'silent auction'. We hope everyone enjoyed the twist that a campfire program provides and invite you to our Wednesday campfires scheduled for this summer: June 12, June 26, July 17 and August 7th. We have them rain or shine with the new facility. A food selection is available at 6:00 with the campfire starting at 6:30 pm. And, yes, we successfully obtained \$381.00 to donate for the summer Youth trip.

Thank you everyone.

Help Wanted

Hello OSLC family!

Some of you may not know that I schedule volunteers. Please consider how you want to be part of the “big help”. Many of you already do help and that is much appreciated. We are in great need of ushers (greet everyone attending services, collect offering, put offering in the money envelope after service and put in the drop safe) To learn about other job opportunities or to make sure I have you in my contacts (I don’t want to leave anybody out) text me at 715-829-9555. God bless you.
Toni Eckardt

In the coming weeks, your Deacons will be distributing to each of their households an updated Directory that includes members' addresses and available phone numbers and emails. We have tried to be very diligent in making sure all of this information is correct to the best of our ability; however, in this day and age people frequently change numbers and emails. Therefore, the Deacons plan to use annual meeting time to bring forth this information to our membership and make any needed additions and corrections. But, also at any time should your information change, please contact your Deacon or the Church Office and provide those updates.

April Outreach

Agnes' Table

Agnes' Table & Community Center's mission is to provide meals, hospitality, and advocacy to their community. Agnes' Table serves dinner on Tuesdays and Thursdays, as well as breakfast on Mondays, Wednesdays, and Fridays. Additionally, they have a food pantry available to everyone which is open on Mondays and Wednesdays from 12pm - 2pm. Agnes' Table is located at 24 W. Grand Avenue, Chippewa Falls, WI 54729.

Noisy Offering

Agnes' Table provides roughly 2,000 meals per month to individuals, children, and families in the Chippewa Valley. Their food pantry operates two days per week, distributing 1,000-1,500 pounds of food weekly to 175-200 households and has occasional pop-up pantries. Your donations help make this ongoing food support possible.

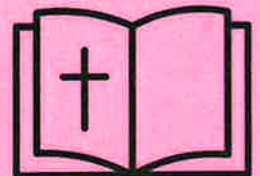

Volunteer Opportunities

Dinner Volunteers: A group of 5-6 people is asked to make a minimum donation of \$150 and show up ready to cook. The Agnes' Table Program Coordinator is responsible for planning the meal and purchasing the food. You can look for open volunteer nights on the Agnes' Table Facebook page or sign up at church to serve with others from Our Saviour's. The next date OSLC will serve is Thursday, April 4, 2024.

Scripture Meditation

Isaiah 58:10 - "If you offer your food to the hungry and satisfy the needs of the afflicted, then your light shall rise in the darkness and your gloom be like the noonday."

Youth Fundraising for New Orleans

Thanks to your generosity, we are much closer to our fundraising goal for our trip to the Churchwide Youth Gathering in New Orleans this summer.

We extend a heartfelt thank you to:

- The Our Saviour's Endowment Fund for their sizable gift.
- Rich Boardman, who organized a Silent Auction in connection with Campfire-style worship on March 10 as well as those who donated items and those who offered bids.
- All who attended our Palm Sunday Breakfast.

Thank you all for your prayers, support, and generosity!

Sunday, April 21 is the date for our Tie Dye Fundraiser. Look for those details elsewhere in this newsletter.

For those who are Stockholders, the date for the Stockholders' Event with reports from the students as well as an ice cream social will be Sunday, August 4. Time to be announced later.

Healing Service

On Sunday, April 21, worship at both services will include the opportunity for anointing and the laying on of hands for healing for any who wish to receive it.

Bishop Election Process

Pastor Karen's name is among those who have been nominated for Bishop of our Northwest Synod of Wisconsin - ELCA. There are seven pastors whose names are going forward in the process. Information and a brief video from each nominee will be released the second week in April. Zoom forums with these nominees have been set for April 28 (Sunday), May 2 (Thursday), and May 6 (Monday). The election will take place at the Synod Assembly on June 7-8. Voting members from Our Saviour's will be Heidi Mercer and Lisa Carter.

More information is available at <https://nwswi.org/synod-assembly-2024>

OSLC Accessibility

On Sunday, March 17, a group of OSLC members met to talk about accessibility needs for our church building. Below are the notes from the discussion. **Do you have additional ideas or concerns to share?** Email Deacon Kari at deaconkari@oslccf.net

What OSLC does well:

- Zero-Entry doors and automatic doors
- Accessible bathrooms
- Back pew has open space and flexible seating chairs
- Table for kids to sit
- New windows give more light & we have more LED lighting
- Sanctuary screens give visuals
- An online option includes a wider population

Where OSLC can grow:

- Better audio for hearing aids & balancing microphone sound
- Need additional flexible seating in sanctuary
- Have to use stairs to choir loft & to basement
- Difficult for everyone to access the high quilting shelves and basement fabric room
- Low lighting in the library and sanctuary
- Fellowship hall chairs; maybe stackable chairs
- Labels for food allergies
- Pew space for walkers
- More signage throughout the building
- Kid-friendly seats so they can see in sanctuary
- Tablets for large print order of worship & sit/stand directions
- Keys: system for organizing & availability

How do we move forward:

- Have a public wishlist for endowments and donations to consider
- Have contact person for accessibility needs
- Share these notes with the congregation
- Better advertising for large print & headphone options
- Get quotes for sound system and stair lifts

Just Because Meals

Sometimes we want to help someone who might be struggling with health or other issues, but we don't know exactly how to approach the situation. Our Saviour's has organized something called "Just Because" ministry. We use a website called "Take Them a Meal"

which allows volunteers to sign up to bring a meal to someone who would appreciate it. Jared checks with the family to learn preferences and allergies. Then he emails everyone on the volunteer list and people sign up to take a meal (homemade or takeout). Sometimes two people do it together. Often it's not only the food that is uplifting to a family, but also the opportunity to visit for a few minutes when the food is dropped off.

Prayer Shawls are Available

Do you know of someone who needs to be wrapped in prayer? Perhaps they are facing a serious illness or have been going through a difficult time. Prayer shawls are available for those people. Please let the church office or a deacon know of the need.

Also, Knot Just Knitters would welcome help knitting or crocheting the shawls. The pattern is very easy and can be done while watching TV or chatting with a friend. The specific yarn used for prayer shawls has been purchased and can be picked up at church. Please email Marilyn Murphy at mjmurphy1970@yahoo.com if you have any questions or would like to start working on a prayer shawl.

Book buddies will be meeting on Sunday April 21st at 6:30pm at Our Saviour's. We will be discussing the book: Lessons in Chemistry by Bonnie Garmus, a bestselling novel about women's lives, careers, and struggle for empowerment in the late 50s and early 60s. It follows the story of Elizabeth Zott, a brilliant chemist who is forced to become a television chef when she finds herself a young, single mother. Please join us even if you have not read the book. Contact the church office or Marilyn Murphy at mjmurphy1970@yahoo.com for questions or if you would like to be included in future emails.

At the end of January the office received a large check in the mail. It was from a Finance Office in San Diego, California.

We, as staff looked the check and the attachment over to see who might of sent us this large gift. There was no name. Kathy our financial secretary called the Finance Office and was told that they could not tell us who sent the check and that is fine.

We are just wondering if YOU sent the check and would like credit on your statement for financial purposes? If so please email the office with the amount to be credited to you. No one except Lisa and Kathy will have the information and it will be kept in strictest confidence.

Thank You!!

Lisa

Spring Cleaning!!! Since it has felt so "Spring Like" it is time to do some deep cleaning here at church. The kitchen sparkles now we have a wonderful team in place to run and be responsible for the kitchen.

However as we walk around the building there are something things that need to be done. We are talking some deep cleaning. Windows in the fellowship hall, the Narthex, and the windows in the lounge and down the hallway to the office and the office windows could also use some shining up.

The lounge its self needs some deep cleaning. Toys stored in a different way and the cupboard over the sink. The closet also could use some care. Drapes need some time outside in the wind on a clothes line.

There is a need for a good cleaning of the pews with the cushions being removed and vacuumed.

The Altar area needs a good cleaning as well as the Altar Guild Room. We have someone coming to remove the wax on the carpet!!

We also have paint for the office that has been here since last summer. Anyone like to paint?

Easter Joy

Thank you to everyone who donated clothing or cash to support local families in the Foster Care Program. We also appreciate everyone who helped OSLC gather items for the LWR Baby Care Kits. Watch our weekly "Staying in Touch" emails for a date when we will ask volunteers to come and help us create the kits so we can send them to Lutheran World Relief.

Bonnie, Dawn, and Deb

Thank You Celebration

We have a "Celebration" scheduled during April for many individuals who help and serve the congregation behind the scenes. A number of invitations will be sent out and everyone is invited. We

will have the reception on April 21st with some delightful treats during Education Hour following the church service. Plan to join us as we extend some special thanks.

Staff Support Committee

Care Link Information

I am very short on volunteers. If anyone is interested in job shadowing to see what we do and how, please contact Michelle at the email below. If you like it, you can start volunteering on your own when you feel you are ready. As of now, including myself, I only have 4 active volunteers. That does not include any Pastors who come to volunteer, as their schedule doesn't have a lot of wiggle room. So, please, if any of your friends are interested, have them join us for a day to see for themselves.

Little Pantry

Thank you for the regular donations that keep appearing to stock the Little Pantry at the Mansfield entrance. The most popular items continue to be granola or breakfast bars, easy-to-microwave meals, nuts, fruit snacks, cans of soup with a pull-top, meat sticks, etc. Hand warmers also seem popular on extra chilly days.

To support this effort, you may place your donations directly in the Little Pantry, or leave them with Pastor Karen who has a designated corner of her office for such items, or order on-line and have your donation shipped to the church address: 1300 Mansfield St.

Because of you, Nolan has a forever home, and Vicky is a mom.

Several years ago, Vicky* started to feel a pull towards becoming a foster parent. She was successful and fulfilled in her career, had healthy relationships, and owned a nice-sized home with extra bedrooms. Her heart was open to providing love and security to a foster child.

When going through the process to become a licensed foster parent, Vicky was asked if she would consider adopting a child. While she only had ever considered fostering, Vicky did not want to close the door to this new possibility. Shortly after, baby Nolan* was placed with her.

At only 4 months old, Vicky's was the fourth home Nolan had lived in. Over many months, it became apparent to Vicky's County case worker that it was not in Nolan's best interest to be reunited with his family of origin. Vicky loved Nolan and was ready to do what was needed to become his forever mom.

After a few legal hurdles were cleared, Vicky's case was referred to LSS Adoption Services and our social worker, Dawn Lonsdorf, who helped them through the adoption process.

Vicky explains, "We waited a long 15 months for the appeal process to conclude. During this time, Dawn followed up with all the medical teams we were working with, signed the necessary documents needed...and most importantly, offered helpful recommendations during our home visit. [I am] 1000% thankful!!! I also had A LOT of questions in regards to the appeal process and the timeline to move forward. Dawn was always there trying to help ease my worry and answering these questions but if she didn't have an answer, she reached out to someone trying to get an answer for me in a timely manner. I cannot thank Dawn enough for her professionalism, helpfulness, and ease during this entire process. I know that this is her job but to me and my family, she went above and beyond!"

Are you interested in volunteering with a refugee family?

World Relief is looking for teams of 6-10 people to partner with new refugee families for the first 6 months of their arrival. "A Good Neighbor Team (GNT) is a small group of people from a local church that partners with World Relief to welcome, walk alongside, and offer long-term reciprocal friendships with a newly arrived refugee family." Most families are expected to find housing within the city of Eau Claire due to the public transportation that is available there. At this time, refugees are most likely to be from the Democratic Republic of Congo and Myanmar/Burma and arrive sometime between now and September. Please let Deacon Kari know if you are interested, so we can determine if there is sufficient interest to form a team. Have further questions? Email Deacon Kari at deaconkari@oslccf.net

Forming a Long Range Planning Team

The purpose of long-range planning at OSLC is to establish goals and strategies that would guide our actions over an extended period, typically three to five years or even longer. It helps in setting a clear direction, allocating resources efficiently, anticipating challenges, and adapting to changes in the external environment. Additionally, long-range planning fosters organizational alignment and coherence, enabling effective decision-making and sustained growth.

Please consider joining this important effort! Contact Heidi Mercer at heidikmercer@gmail.com for more information.
