November 1

Endowment Fund Mission, Grants, and Ways to Give

MISSION OSLC Endowment Fund's mission is to serve God's people in Christ's name by providing financial foundations to the ministries, missions of OSLC for all generations.

GRANTS Grants are awarded to projects, programs and priorities that advance the OSLC Endowment Fund's mission. Grant applications are evaluated by the Endowment Board in accordance with OSLC's Constitution and Bylaws. The Endowment Fund favors grant applications that:

- Help people grow in faith and in service to God and community.
- Promote the mission of the congregation and the greater church.
- Strengthen the ability of our congregation to respond more effectively to the needs of people not funded through regular contributions and budgeted funds.
- Help develop new leaders of the church.

Members of OSLC may apply on their own, or on behalf of qualified 501(c)3 tax-exempt organizations. Completed OSLC Endowment Grant Applications must be received prior to Feb. 1, May 1, Aug. 1, and Nov. 1 to be considered during that funding cycle.

WAYS TO GIVE The OSLC Endowment Fund exists so that your values and legacy of Christian faith will live on and further God's work for generations to come. Gifts to the Endowment become part of a perpetual fund with earnings used to advance the mission. You can leave a lasting legacy for the future of the church and its work in Christ's name through memorial gifts and/or the wise distribution of your estate.

Contact a member of the Endowment Board in confidence and/or your professional planner to discuss personally fulfilling, and tax-efficient ways you can leave your legacy in support of the work of Christ through the OSLC Endowment Fund.
