Ash Wednesday and Lent 2018

We will be having Ash Wednesday services on Wednesday February 14th at Noon and at 6:30 pm. Join us on Wednesday's for Our Lenten Services at Noon and 6:30 pm.

Change is a constant in our lives. Some changes mark gradual transitions, as when daytime shifts toward twilight or winter turns to spring. Others happen in the blink of an eye, separating time into "before" and "after". We choose to undergo some changes after carefully considering our options, while others are forced upon us.

In the weeks, days, and hours before Jesus' crucifixion, the disciples also experienced change: a change of venue as the gates of Jerusalem approached; a change of plans as their long-awaited Messiah was arrested and tried; a change of circumstance as the crowds shouted "Crucify!"

Change is hard. We long for the expected and familiar, but all too often find ourselves in the midst of uncertainty and the unknown. We cannot predict how things will turn out. Yet, as we gather together to journey through Lent, we declare that God's love is steadfast even in the midst of life's inevitable changes.

“In Case You Missed It...”

In case you missed it, during the mid-hour on Sunday, January 7th, we said goodbye and thank you to Pastor Kurt Jacobson. We had over 70 members present. During the mid-hour we were also able to give a brief update on the transition process. Welcome Interim Pastor Jeanne Warner. We are glad you will be with us.

During February we will begin moving into discussion of results from the CAT. We will have a Site Profile Team made of OSLC members begin working on issues and concerns set forth from within the CAT data. We look to keep you posted on our progress through the Grace Notes and updates in the newsletter such as this one. There will be regular ‘Temple Talks’ at services and watch for ‘Listen and Talk’ sessions during mid-hour. The ‘Listen and Talk’ sessions will give you an opportunity to hear about our progress and join the discussion. The first session is scheduled for Sunday, February 11th. We wish to take time to listen to members and keep you posted on our progress.

We do have a brief transition update scheduled for 5:30 pm on Wednesday, February 7th, for those who attend on Wednesday evening (similar to the mid-hour on January 7th). The Executive Council is very committed to keeping you informed. Please join us. Rich Boardman, Incoming President

PASTOR'S LETTER/NOTES

Dear Brothers and Sisters in Christ –

Grace to you and peace, from God our Father, through our Lord and Savior, Jesus the Christ, by the power of the Holy Spirit!

This is how I start most sermons. It is a lot like St. Paul's greeting in his letters to congregations during his missionary journeys. (See Romans 1:7, 1 Corinthians 1:3, 2 Corinthians 1:2, Galatians 1:3, 1 Thessalonians 1:1, Philippians 1:2, and Philemon 1:3.) Grace and peace are important. Grace and peace are not, however, our experience of the world most of the time. Grace and peace are what we long for and what God intends for us, though.

As Lutheran Christians, we declare that we are "Saved by grace, through faith." We are reminded and reassured that this is true throughout the New Testament. Ephesians 2:8-9 says: "For by grace you have been saved through faith, and this is not your own doing; it is the gift of God - not the result of works, so that no one may boast." This is the very passage that turned around Martin Luther's life – from despair to gratitude and hope. The trouble is, the world does not function in a state of grace and so we are hard-pressed to find peace.

That is why I remind you that God intends for you to dwell in grace and peace. God intends this grace and peace for all of us individually and as the Body of Christ here at Our Saviour's Lutheran Church. This grace is a gift and peace is the result of living in a state of grace. We, however, can be VERY resistant! We like to keep score. We like to justify our behavior and feelings. In an attempt to not repeat the past, we dwell in it. In order not to fail, we rely on "the way we have always done it." And the result is that we have no peace and do not accept the grace which is ours because of God's love for us – NOT because of anything we do.

As an Intentional Interim Pastor, I serve congregations who have recently undergone a challenging change in their pastoral leadership. Mourning the loss of a pastor always involves uncertainty and sadness. A pastor's departure that has been stressful sets up a more complicated grieving process and that is why I am with you. I will journey with you through this transition, helping to facilitate healing and hope, reassessment and renewal. I will be encouraging you to move together into the future mission and ministry that God has in mind for you. I will be nudging you to notice the Holy Spirit's movement in and among you as a sign of God's direction. I will be suggesting some changes, but I will also be affirming what is going well. I will be praying for you, as I have been doing since I was first approached by the Bishop and his staff to come walk with you.

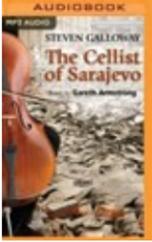

I am excited to share this time of transition with you! I look forward to discovering with you the future into which God is calling Our Saviour's Lutheran Church!

Grace and peace, Pastor Jeanne Warner

Lighten Your Load needs YOU!!!
Lighten your Load is a laundry assistance program sponsored by the Chippewa Falls Mission Coalition located at Express Mart Laundromat. The program began after hearing from a Chippewa Falls School District social worker that there were families who did not have enough money to go to the laundromat to wash their families' clothes. Lighten Your Load offers quarters, detergent, and dryer sheets four times each month for people who are financially challenged. While at the laundry session volunteers talk, listen, and pray with participants.
In 2017 more than 400 individuals came to the laundry sessions washing and drying more than 700 loads of laundry for at least 510 adults and 176 children. Thirteen OSLC members have volunteered to help our community. We are looking for additional volunteers to help on either Tuesday evenings 6-9 pm or Thursday afternoons 1-4 pm. If you are interested in learning more about how you can help please ask Gayle Klitzke phone 723-5053 or email gayleklitzke@hotmail.com

Abraham & Sarah Update

As I write this, we have come through a couple of the coldest snaps that we have had for some time. When we have these extended periods of stress on our systems (mechanical and human), it seems that if something is close to breaking down it will for sure happen during these times.

The Abraham & Sarah Group has been privileged to work with a single mother and her 3 children for about 2 years. The family went to the Chicago area to be with extended family over the Christmas holiday. During that time period, the Chippewa Valley had one of the coldest, lengthiest snaps that we have experienced for a long time. She came back to find her apartment at 39 degrees, broken water pipes and registers that leaked creating mold and a terrible mess.

The family was not able to stay in that environment so they have been living in a motel since January 7th. The first week Catholic Charities gave them coverage at the Indianhead Motel. The second week is being covered by several organizations – Central Lutheran, a family from OSLC who had a coupon, and Knot Just Knitters.

To make life a little easier for the family and give them more than just one room to exist in for a week, it was decided to move them to the AmericInn. The benefit of making that change is a free breakfast for all, a swimming pool, an exercise room plus the motel room.

As a group, we are all learning as we work through the issues that surround this experience. We know that we do not want a three, four and nine year old out on the street and homeless.

Many helping hands make this seem less overwhelming, please consider contributing to Abraham and Sarah (Account #514) to help us provide support to those in need in the community.
