HELP WANTED

Our Saviour's has reluctantly accepted the resignation of our custodian, Chad Burton, effective June 7, 2019. He has done an excellent job for OSLC, and we are sad to see him go. Therefore, we are looking to fill this part-time position of up to 20-25 hours a week. This job would begin on or before June 3, 2019. If you or someone you know is interested, contact the office for details at 715-723-6048

Equal Exchange Coffee

As you get your cup of coffee this morning check out the Equal Exchange Coffee. Available is the Organic Breakfast Blend in both the regular and decaf blend. When you buy Equal Exchange Coffee the money goes directly to the small scale farmers. This helps to improve their schools, medical care and social services in their villages. It's also very good coffee!

Scholarship Application time is now!

The Endowment committee would like to remind all interested parties that they are now accepting scholarship applications for the next school year. (Fall of 2019). The deadline is May 1st. Come to VBS!

Vacation Bible School
Saturday, August 17

Save the Date for an All-Ages One-Day Vacation Bible School on Saturday, August 17 here at Our Saviour's. Families, plan to come together. Grandparents, bring your grandkids. Friends, invite your neighbors. A group of Luther Park staff will join us in leading crafts, games, and activities all centered around the love of God. Times will be posted later, and the event will include a meal and campfire.

Summer Park Service

Be on the lookout for the Summer Park Service clip board for set-up, providing goodies and/or clean-up at our park services. Memorial Day weekend (May 26) is just around the corner. Talk it over with family, friends or groups and reserve your preferred date(s). We will also be passing around the clipboard at worship to sign up.

It's time to plan for Summer Camp!!

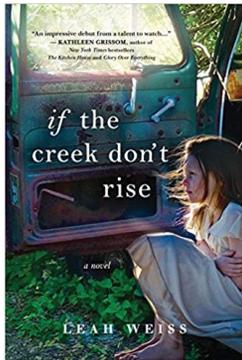

Since camp is always more fun with friends, we are encouraging our youth to attend Luther Park the **week of June 23-28th**. Programs are available for K-12th grade that week. Staff and/or other members of OSLC will be present at camp that week as well. **However, you may attend any week of camp that works for you.** At least once during their confirmation instruction, all middle school youth are expected to attend a week-long summer session at Luther Park Bible Camp (or something similar.)

Pick up a Luther Park Brochure on the counter in the Narthex. To support you in this valuable part of your faith journey, **Our Saviour's provides financial support for your camp experience.** Our Saviour's provides the following financial support for your camp experience: Week-long camp: \$100; 2-night camp: \$50; Overnight camp: \$25. Please do not let the cost of camp keep you from attending. Please contact Toni, Jared, Pastor Karen or the office if the cost of camp makes it difficult for you to attend. **We want you to go and have limited scholarships available for that purpose.**

Put your faith into action as you practice discipleship with other young Christians. The active fun of camp – canoeing, games, campouts, crafts, volleyball, basketball, waterskiing, swimming and more – blend with quieter things – prayer, Bible study, awesome worship experiences and other times of reflection and sharing around the campfire and in your cabin – to make this a week you'll never forget. In this week-long program you'll learn and grow together as you discuss your faith with your counselors. This is a chance to get closer to what matters: yourself, your friends, and God. ****Let the church office know what week you signed up for! ****

Book Buddies

The meeting will be at Rose Prell's home, 19202 74th St., at 6:30 PM on May 19. If you need directions or have questions, please contact Rose at 715-726-3924.

If the Creek Don't Rise by Leah Weiss will be the focus of the May Book Buddies meeting. Weiss tells

the story of Sadie Blue who has been a wife for fifteen days. That's long enough to know she should have never hitched herself to Roy Tupkin, even with the baby. Sadie is desperate to make her own mark on the world, but in remote Appalachia, a ticket out of town is hard to come by. When a stranger sweeps into Baines Creek, Sadie finds herself with an unexpected lifeline...if she can just figure out how to use it.

All are welcome, even if you haven't read the book!
